| Brush diameter             | 2x ø240             |
| Squeegee                   | 750mm               |
| Weight (without batteries) | 75kg                |
| Battery weight             | 2 x 26kg            |

Battery powered walk behind scrubber dryer is designed for small to medium commercial and industrial applications. This entry level scrubber dryer is able to negotiate tight aisles and applications. The I18 has excellent scrubbing power and superior vacuum suction for its size.

## TMHA HARD FLOOR CLEANER

Intensive alkaline cleaner for the rapid removal of stubborn oil, grease, soot and mineral stains from commercial and industrial floors.

Ideal for use with floor scrubbing machines. Also suitable for general pre-spraying and manual spot cleaning. Dilute to manufacturer's specifications.

Available in 5 litre and 20 litre sizes.
