

RSS 22/30/40 WALKIE STRADDLE STACKER

The faster the better. If you are looking to improve cycle times and decrease your cost of operation you can count on the RSS Stacker. With superb engineering and easy-to-operate ergonomic controls you can get more done in less time. Designed for all types of operations, from retail to warehousing to manufacturing, this versatile stacker handles heavier loads swiftly and efficiently. Manufactured with modular components and a robust construction the RSS requires less maintenance and reduces downtime for a lower total cost of operation.
